CAREER HISTORY

Apr 2010 – Present

Electronic Arts Pty Ltd – *Melbourne, Australia*

Mid-Level Production Artist

- Modeling and texturing real-time art-assets for a wide variety of AAA game titles primarily for iPhone.
- Reporting project status to the Creative Director and Producer.
- Ensuring quality standards are met with fast turn-around.

Oct 2009 – Mar 2010

Tin Man Games Pty Ltd – *Melbourne, Australia*

3D Artist (Contract)

- Created a wide variety of outsourced models and textures for two AAA game titles on iPhone and Nintendo DS.
- Ensured assets were fully optimised for the target platforms while minimising any impact on artistic integrity.

Aug 2009 – Sep 2009

Grinding Gear Games Ltd – *Auckland, New Zealand*

Environment Artist (Contract)

- Created detailed and optimised 3D environment models and textures for an upcoming online role-playing game.

CAREER HISTORY - continued

Jul 2008 – Jul 2009

Mere Mortals

Mere Mortals NZ Ltd – *Auckland, New Zealand*
3D Artist / Technical Lead

- Created high quality cinematics and real-time art assets for game titles published by leading companies such as Ubisoft.
- Improved project art quality by researching lighting methods and optimising art content to display better in real-time.
- Always ensured to complete tasks on or before time at a high level of quality usually exceeding Lead Creative's expectations.

Feb 2008 – Jul 2008

Disyi

Disyi Arts Ltd – *New Plymouth, New Zealand*
Managing Director / Art Director

- Founded Disyi Arts and directed a small production team towards delivering high quality games and original IP.
- Established a professional art pipeline for 2 game projects.

EDUCATION

Media Design School – *Auckland, New Zealand*
Graduate Diploma of Game Development (Art Stream)

- Awarded the Sidhe Interactive Scholarship.

Natcoll Design Technology – *Wellington, New Zealand*
Diploma of Multimedia
